Book Fair

Thank you to all that ordered books through our virtual book fair. Our total came to \$651 and school will get 25% of that back in books for our library. THANK YOU!!!!

Cookie Day Helpers

Our cookie work day is this Saturday, November 7th and we still have plenty of spots available! If you would be interested in volunteering please let Mrs. Gloede know.

Cold Weather Clothes

Our general rule of thumb is that if the wind chill is ABOVE 0° then the kids are able to go outside and most classrooms will (especially 4th grade and under). PLEASE send appropriate clothes with students.... Boots, Snowpants, Hats/Gloves! Items can be left at school during the week if needed, but please label items so they do not get lost.

Along the same line, if you are going through winter items and find that you have some that are too small or maybe you have an over abundance you can donate to school for kids who need (or forget) them. Thank you!

Pioneers

November packets are ready to go home today and include a super cute owl craft (see pic). Please remind your students to pick one up from Mrs. Asp. These are due back by Monday, November 16th.

Sunday, November 15th is Pioneer Sunday. Mr. B is looking to form a small choir of students to sing during the 9:00 am service at Mt. Calvary. If your student is available that day please let Mrs. Gloede know so that they are included in practices.

Election Day Traffic

Traffic will be significantly increased around school on Election Day. Please be cautious when dropping off and picking up your students!!!

Baby Bottle Drive

Dear students of MCG,

Thank you so much for collecting money for New Life Resource Center.

You raised \$1682.00!!

I am very thankful for your support. You all are a blessing to this ministry. Life In Christ.

Athletics Update

We will again hold a Basketball open gym this Wednesday from 3:00-4:30 (Note the earlier end time!) for all 5th-8th grade students that are interested. Mr. Towne has an AD meeting this week on Wednesday as well and will get an update on what basketball season might look like. We will relay this info as soon as we have the details.

COVID update

As of today(11/2/20) MCG has no active COVID cases within our families. Whoo hoo! Updates will be given if needed.
