No more clipping! There is a new way to earn \$\$ for our school. Box Tops for Education is now online! Just download the app, select our school and scan your receipt within 14 days of purchase. Our school receives 10¢ for every item purchased with a Box Top Label.

## **Water Bottles**

Please remember to send a water bottle with your students. The drinking fountains are shut off for sanitary purposes. We do have a limited supply of bottled water for those who forget, but it seems to be becoming a pattern for some. Thank you!

## **Chapel/Missions**

Every Wednesday the students attend Chapel. Offerings are collected during this service and are given to the missions that are chosen by staff. This year our first semester mission is the New Life Resource Center and our second semester mission is Institutional Ministries.

## **Athletics**

At this time it has been decided to push fall sports to the spring and shorten the seasons to get everything in. We look to have a calendar for you by next week that gives an outline of what the season will look like.

## **Mystery Readers**

Mrs. Gramarossa is looking for volunteers to read to her class (1<sup>st</sup> and 2<sup>nd</sup> grade) during the school year. She is planning to have readers be outside to keep socially distant and not have to wear a mask when reading. Please speak with her or myself if you would like to be added to the mystery reader schedule!

## **Library Books**

Mrs. Loehr is missing quite a few library books that made their way home last spring, but never came back. Please check at home to see if you possibly have some MCG books floating around. Thanks!

## **COVID update**

As of today(9/21/20) MCG has 2 families with positive tests in their households. The positive tests are NOT students of MCG. However, because of our COVID protocol the students are in quarantine at home. We are in contact with these families regularly and will give updates if needed.
