## Picture Day

**THIS WEDNESDAY!!!** Please remember to let Mrs. Gloede know if your child should have a picture order form or not (if you haven't already done so). Forms should be turned into the school office by Wednesday morning. Thank you!

## October Drive-Thru Dinner/Baby Shower

RSVP(family meal count) is needed by next Wednesday, October 7<sup>th</sup>. If you are unable to print the flyer at home in order to submit the Baby Stats Game, Mrs. Gloede will have copies available in the office!

## Book Fair

Mark your calendars!!! We will be hosting a virtual book fair this year through Scholastic, Inc. This event will run October 14<sup>th</sup>-27<sup>th</sup>. Look for more information to make it's way home closer to the start date.

## Athletics

Mr. Towne has another AD meeting this week. They will be discussing basketball. It sounds as though we will have a season of some kind, but what that will look like is what the discussion will be. It will definitely look different than usual, but the kids WILL get to play. Specifics about this will be sent out later in October. Thanks for your patience with all of this!

## Water Bottles

We still have students on a daily basis that seem to be forgetting.... PLEASE remember to send a water bottle with your students.

## **Baby Bottle Drive**

Last week we launched a baby bottle drive for our first semester mission project, the New Life Resource Center. One student per family will be bringing home a baby bottle to fill with loose change. All proceeds will be donated to the NLRC. Please return the bottle to school by October 20<sup>th</sup>. (There will also be a separate flyer emailed home with more information about the NLRC)

## **Cookie Fundraiser**

This Friday we will kick off our cookie fundraiser. For previous families of MCG, this is the same fundraiser we ran last year. For new families... here is a brief summary of what this is. You will receive a sales packet (1 per family, sent home with the youngest student). The cookies that we sell are prepared and packaged in our very own MCG Kitchen. Mrs. Asp and Mrs. Cordes make the dough and it is scooped, frozen and packaged by MCG staff and volunteers. There are 30 cookies per container and this year the price will be \$12 each. We did VERY well with this fundraiser last year, 521 total containers sold.... Can we beat that this year?!?!

## **Box Tops for Education**

No more clipping! There is a new way to earn \$\$ for our school. Box Tops for Education is now online! Just download the app, select our school and scan your receipt within 14 days of purchase. Our school receives 10¢ for every item purchased with a Box Top Label.

## **Mystery Readers**

Mrs. Gramarossa is looking for volunteers to read to her class (1<sup>st</sup> and 2<sup>nd</sup> grade) during the school year. She is planning to have readers be outside to keep socially distant and not have to wear a mask when reading. Please speak with her or myself if you would like to be added to the mystery reader schedule!

## **COVID update**

As of today(9/28/20) MCG has 2 families with positive tests in their households. Within those families 1 student has tested positive. Thankfully because that student was already in quarantine prior to developing symptoms and being tested it does not affect our student body. These families remain in quarantine at their homes. We are in contact with them regularly and will give updates if needed.
