Pioneers

Pioneers will work on etiquette and party planning tonight. They will also continue working on their pine cars. PINE CARS MUST COME WITH THEM TO THE MEETING! Mrs. Asp is also asking for as much parent help as possible for the meeting tonight since there is a lot to accomplish, so if you are able to stay and help please do! FYI... Pine Car Nationals (for those who qualify and wish to attend) will be held on Saturday, April 23rd in Princeton, WI.

Grading Period - 3rd session

Staff has decided to push the end of the 3rd grading period back to Friday, January 21st since we lost a few days of school last week. Report cards will be sent home with students on Monday, January 24th.

Grandparent's Day

GPD invitations and information will remain the same as was sent out EXCEPT the date has been changed to Friday, March 25th. Please RSVP no later than Friday, March 11th. Thank you!

Snow Days

MCG follows the La Crosse School District when it comes to school closures for bad weather. Mrs. Gloede will also send out a school wide email if there is a closure. You can also check our facebook page for updates or WXOW. (if bad weather happens to fall on a day that La Crosse Schools are not in session, then we will make our own call to close or not)

STUDENT WELLNESS and COVID

We appreciate your help with trying to keep our families safe and healthy during these trying times. Please use the list below as a guide when deciding if students should be attending school or not. We have also updated a few items on the COVID grid as far as close contacts are concerned.
