Christmas Service

Mark your calendars! Our MCG Student Christmas Service will be held on Sunday, December 19th at 3:00 pm at Mt. Calvary Church. All PK3-8th grade students are expected to attend this service. Students will begin practicing their recitation parts and songs this week. Please help your student(s) at home with these parts if needed.

Student wellness and COVID

We kindly ask that all MCG families take a proactive approach when it comes to student health and possible covid cases. Please communicate effectively with the school office and your teachers if students are ill or if there is a need to stay home for any COVID related reasons. There is an abundance of options for COVID testing in the area and we highly encourage families to use these if needed. So far this school year we have managed to keep any COVID related spread out of the classrooms and we appreciate your help as we continue to move forward with the year. Thank you!!!

Your child should stay home if he or she has:
