Kid's Korner

We have wrapped up Kid's Korner for the year. Please remember..... The students shop themselves, we do not help them pick out their gifts, so please keep that in mind when you are opening (especially for the little ones!). They do the best they can but sometimes get stuck on what THEY like!

Grandparent's Day

GPD invitations and information will be coming home this week with students and Mrs. Gloede will also email it in case the forms don't make it home. Please share with family over the holidays and return the RSVP slip with payment to the school office no later than Monday, January 10th. Thank you!

Pioneers

Pioneers won't have a requirement meeting again until January 10th. In the meantime, students should be working on their pine cars. Additional pine car kits are available for purchase if parents are interested in creating their own car and participating in the derby. Let Mrs. Asp know if there are any questions.

Snow Days

MCG follows the La Crosse School District when it comes to school closures for bad weather. Mrs. Gloede will also send out a school wide email if there is a closure. You can also check our facebook page for updates or WXOW. (if bad weather happens to fall on a day that La Crosse Schools are not in session, then we will make our own call to close or not)
