## Kindergarten - 1st Grade - 2nd Grade plan

In light of Mrs. Gramarossa leaving, we have put into motion a plan for our K-2 students for the remainder of this school year. Thankfully this plan will have very little disruption to the classroom and students.

Mrs. Ashley Franzo will take over as our Kindergarten teacher. Mrs. Franzo is the wife of Pastor Andrew Franzo at Grace Church. She is a certified teacher and has experience as an early childhood teacher. She will convert the extra classroom upstairs (next to the current K-2 room) into the new Kindergarten classroom and the students will start with her in their new space on Monday, September 26th.

Mrs. Susan Siegler has agreed to come back full time to teach 1st & 2nd. She retired a couple years back after many years of teaching in the WELS and most of them with MCG in the 1st & 2nd grade classroom. Since retirement she has stayed on staff with us as a teacher's aide and substitute.

We are extremely grateful that these ladies have stepped up to help our school!! We will still hold a school meeting next Monday, September 12th following the picnic at 6:00 for all parents and can answer any questions you have pertaining to this arrangement at that time.

## Athletics

Volleyball teams will have their first games this Saturday, September 10th at MCG. A-team will play 3 matches (9:00, 11:15, 12:45) and B-team will play 1 match (1:30). We are in need of volunteers to help with concessions for this event. Please let Mrs. Gloede or Mr. Towne know if you are available to help!

Cross Country will begin practices today. All students in grades 5th-8th are eligible to participate.
