

# Pioneer Information for October

Our Activity for October will be our Roadside Cleanup. The tentative date for that is Sunday, October 18<sup>th</sup>. (we are waiting for a frost to knock back the tall weeds along the route to make cleanup easier!) We will meet in Swarthout Park, in West Salem, at 12:30 pm. Ideally we will have 4 teams to go out and each team will clean only  $\frac{1}{2}$  mile of our route. **WE NEED YOU TO MAKE THIS HAPPEN! Please plan on helping!** Contact Mr. & Mrs. Asp to confirm that you will be there (or let them know that you can't.)

We have safety vests, work gloves and nitrile gloves, and the garbage bags needed. There will also be a snack and beverages for after we have finished the clean up.

The Packer Game is at 3:25 pm that day, so with enough help we will be home, cleaned up, and suited up in time for kick off! ☺

Our Virtual Meeting Packet for October is available! We are looking at **Our Gift from God of Nature.** Copies were sent home with the students, and extras are available in the cafeteria.

Please feel free to contact Mr. & Mrs. Asp at any time with questions you may have about Pioneers. We are looking forward to a different, but still fun, year and pray that we will be meeting again in person soon!
