

Permission to Use Photos

Mt. Calvary-Grace Lutheran School

2020-2021 School Year for School & School-Related Activities

We occasionally like to display some of our classroom and extra-curricular activities in our weekly newsletters, on the MCG school website and also our Facebook page but need to have your permission to do this. Materials may also be posted on area WELS School web sites as well. Returning this signed document in no way ensures that your child's pictures will be displayed.

Thank you for your support and cooperation. Only 1 form is needed per family.

I give my permission to publish photos or name (but not both in the same publication) of my student(s) involved in classroom and extra-curricular activities as described in this document.
